

Immunization Survey To Be Made

During the early part of September many parents of two-year-old children across Alabama will be asked what immunizations (shots) their baby has received. This request for information is part of a survey conducted annually by the Division of Immunization, Alabama Department of Public Health to determine how well young children in Alabama are protected from the seven serious childhood diseases: measles, mumps, rubella, diphtheria, tetanus, pertussis (whooping cough) and polio.

Results of surveys conducted in recent years show that 80 percent of Alabama's two-year-old population is being adequately protected from these diseases each year. Ideally this percentage should improve each year until every Alabama infant is routinely getting all recommended shots by age two. "While protection levels have not dropped," comments Al Harry, Immunization Program Administrator, "we cannot forget that the remaining 20 percent of Alabama's two-

year-olds represent thousands of children who are needlessly vulnerable to the harmful effects of vaccine-preventable childhood diseases. Parents need to be aware that the basic series of immunizations should begin at two (2) months of age and if the recommended schedule is followed, the series will be complete except for boosters by age two."

Information obtained from the annual survey is used to locate specific areas of the state where immunization levels are low enough that outbreaks of disease could occur among preschool-age children. Special activities may then be planned to alert parents to the importance of childhood immunizations and to acquaint them with immunization services available in their county. Parents who receive the survey are asked to provide as accurate data as possible and to return the form to the Alabama Department of Public Health promptly.

Padgett Reunion Held In August

Approximately 60 members of the late W.W. Padgett families gathered on Saturday, August 13, for their annual reunion. Members had received their invitations in a brochure compiled by Betty Brunson Padgett. Layout, artwork, typing and duplicating were done by Martha Padgett Davis.

This "Roundup Time for Padgetts" was held at the home of Mr. and Mrs. D.L. Padgett on Troy Road, who were hosts.

The evening meal, consisting of barbecue and all the trimmings, was served

from long tables on the spacious patio, against a backdrop of beautiful hanging plants. Also adding to the decor were numerous stands of huge, billowy ferns. The tables were decorated with beautiful arrangements of roses from the garden of Mrs. Erene Poole, Jewel's sister. Jack and Sylvia Padgett were presented one of the arrangements to commemorate their 15th wedding anniversary.

The day's activities began with the cooking of the barbecue over an open pit of coals at the home of Lenn

and Montine Padgett on Girt Road, at 9:30 a.m. The fellowship and reminiscing continued until the noon hour when the picnic lunch was enjoyed under the lovely trees in their back yard, with beautiful summer flowers surrounding the area. Included in the festivities was the cutting of a watermelon grown by D.L. and Jewel Padgett, which weighed 104½ pounds. The melon was 31 inches in length, and as many as five children could enjoy a slice at the same time.

Three new members were welcomed into the family by marriage during the last

year. These marriages were David Jacobs and Denine Toop on October 9, 1982; Becky Padgett and David Wesley on January 15, 1983; Debbie Padgett and Curtis Russell on February 12, 1983. New arrivals during the year were John Coleman Davis III, son of Mr. and Mrs. John Davis Jr., and Bethany Ann Jacobs, daughter of Mr. and Mrs. Mark Jacobs.

Next year's reunion will be held on August 11, when Horace and Reba Padgett King will host the occasion.

Alabama State Fair To Be Held

Cash prizes and premiums totaling \$43,440 will be offered by the South Alabama State Fair in the various competitive categories at its 30th annual event the week of Oct. 17-22 at Garrett Coliseum in Montgomery.

At the 1982 event, the fair paid out \$20,498 in prizes and premiums to exhibitors from 38 counties in Alabama. In its 29 year history, the fair has paid out \$534,420 in premiums. The fair is a non-profit organization and from its proceeds in the 29 years it has provided assistance amounting to approximately \$1,034,093 to recognized youth and charitable agencies.

Cash prizes and premiums totaling \$43,440 offered this year in 14 categories include an art show, \$435; junior art show, \$80; beef cattle show, \$11,550; community exhibits \$2,900; dairy cattle show, \$9,600; FFA exhibits, \$1,250; 4-H exhibits, \$1,800; junior beef heifer show, \$3,000; junior hog show, \$4,344; home, farm and crafts, \$3,873; photography show, \$450; talent search \$2,000; and miscellaneous prizes, \$900.

Elba City Council Adopts \$1,161,288 Budget

The Elba City Council met Monday evening and items of business included adopting a new budget which included a five percent pay raise, getting tough on drinking drivers, and raising the license fee on itinerant agents wishing to sell merchandise in Elba. Other business included paying the monthly bills, accepting a federal grant, agreeing to close a possible street, naming a street and hiring a policeman.

The councilmen quickly approved a proposed budget that had been prepared by Mayor Bob English and presented to them a week earlier. There was little discussion, as councilmen apparently had made individual inquiries on items in the budget they didn't understand. The total of the budget expenditure for 1983-84 is \$1,161,288. The anticipated income is \$56,662 higher than this, which leaves a surplus of this amount to cover shortfall in revenue or unexpected expenses.

The second largest expenditure is in the police department which is estimated to cost \$228,000 for the year, plus \$16,500 for two new cars.

Largest is the street department with \$261,500 budgeted plus \$30,000 in added funds for street paving and \$19,000 for two new trucks. The street department includes the garbage pickup.

Administration expenses come in third with \$189,000. This includes insurance and payroll taxes for all departments, which is a tidy sum, exceeding \$100,000.

Payment of borrowed money comes in next with \$161,043 a year scheduled for this obligation. Three of these loans were for the Elba school system and one was for the 1968 sewer system expansion - a forty-year loan that still has most of the half-million dollars yet to be repaid to FHA.

The city council adopted a new DUI ordinance, effective today (Thursday) that places a stiffer penalty on drivers convicted of driving under the influence of alcohol. The ordinance follows the same guidelines, established by the Alabama legislature earlier this year.

Mrs. Beverly Gwin requested the council officially close Donaldson Drive if in fact it was a public street. She noted the street only served as a back alley and that a gate had been installed at one end for several years.

Mayor English announced the approval of a federal grant to add four tennis courts to the recreation complex. The council approved accepting the grant on a permanent basis. Cobb, of Luverne, is an experienced policeman and has completed the police academy - a requirement to be a police officer in Alabama.

Alpha Delta Kappa Holds Meeting In Enterprise

The Alpha Upsilon Chapter of Alpha Delta Kappa held its first meeting of the 1983-84 year at the home of Mrs. Lister Brunson, on Saturday, September 11. Mrs. Sellers was president.

Members of the chapter included Mrs. M.O. Bruckner, Mrs. Robert Cooper, Mrs. R.D. Easters, Mrs. L.F. Inman, Mrs. Joe Martin, Mrs. Robert Marsh, Mrs. Stan Marsh, Mrs. Bill Martin, Mrs. Pat McDaniel, Mrs. M.V. Miles, Mrs. Foy Spurlin, and Mrs. Kenneth Sprung and Mrs. J.E. Tucker.

Miss Bass Weds

Mr. Howard

In Enterprise

Brenda Nell Bass and Richard Dekle Howard exchanged wedding vows Sunday afternoon, September 4, 1983, at First Baptist Church Chapel, Enterprise.

Dr. William Montgomery officiated at the two o'clock ceremony. Members of the immediate families of the bride and groom were in attendance.

The bride is the daughter of Mr. and Mrs. Donald Keith Bass of New Britain. Parents of the groom are Mr. and Mrs. James Burkett Howard, Enterprise. The bride's grandmother, Mrs. Hubert Washington Morrow, Elba, and the groom's grandmother, Mrs. Henry Howard, Panama City, Florida, both were present.

A program of wedding music was presented by Mrs. Tom Wickes, pianist, and Dr. Richard Snyder, soloist. Selections included "My Tribute," "Through the Eyes of Love," and the "Wedding Song."

The bride was given in marriage by her father, and the groom's father served as best man. Mrs. Richard McDaniel, sister of the bride, was matron of honor.

After a short trip to Callaway Gardens, Lt. and Mrs. Howard will be at home in Augusta, Georgia, where the groom is attending school.

Out-of-town members of the family in attendance at the wedding included Mrs. Bass, Hammond, Louisiana; Mrs. Don Bass, Hammond, La.; Mrs. Tim Bradshaw and daughter Kim, Elba; Mr. and Mrs. Dan Morrow and daughters Page and Penny, Lawlerback and Mrs. Carolyn Johnson, Jacksonville Beach, Florida; Mrs. Ned Little and Mrs. Eddie Nobles, Bristol, Florida; Miss Teresa Dekle, Tallahassee, Fla.; Mr. and Mrs. Ellis Griffin, Dothan, AL.

Burnt Village Festival Set For October 8th

Final plans are being made for the fourth annual Burnt Village Fall Arts and Crafts Festival. Scheduled for Saturday, October 8th, 1983, the one-day fest will begin at 9 a.m. and end at 5 p.m. Again this year the festival will carry a harvest theme. Hundreds of applications have gone forth since the early planning stages for the event in January. Only a few spaces remain. If you are interested in participating, contact the Burnt Village Festival Committee at Post Office Box 225, West Point, GA 31833 or The Greater Valley Area Chamber of Commerce at 205/642-1411. The fest is held annually at Burnt Village Park which is situated on the Alabama side of West Point Lake and convenient to the Lanett, Alabama and West Point, Georgia areas. In addition to wood, leather, and metal crafts, paintings, sculpture, ceramics, needlework and the like, there will be demonstrations of pine needle basketry and split oak basket weaving as well as grilling. Rounding out the festivities will be an official tobacco spitting contest and a "no-run" run. Also on tap is a gospel sing and some pickin' and grinnin'. Lots of tasteful foods will be available around the festival grounds. What a great way to spend Saturday, October 8th! Watch for further details.

Dothan's Peanut Festival Is Star-Studded

Dothan's 40th annual National Peanut Festival, Oct. 8-22, is being celebrated this year as a "Festival of Stars." Festival chairman James W. "Jimmy" Grant has issued an invitation to everybody (A) to the stars, to the meet the stars and be a star.

Top star billing goes to three top ranked concert acts to be held at the Houston County Center during the festival's last week. Famous TV entertainer Louise Mandrell and her company will present a full-length concert Oct. 18 featuring a whole cast of top entertainers.

A gospel concert Oct. 19 will headline such stars as Wendy Bagwell and the Sunliners, the Kingstons and the Rex Norton Singers. Hank Williams Jr. and the Bama Band will provide

the entertainment Oct. 22. Included in the all-star cast is singer Merle Kilgore. Other events which star the spectacular harvest celebration include sports tournaments, cattle, horse and dog shows, gun and coin shows, beauty pageants and craft festivals.

Recipe contests, science, crafts and photo exhibits and a giant carnival midway are all part of the annual celebration. The festival is dedicated to peanut farmers and the peanut-producing industry in general.

The festival's highlight comes, Oct. 22, when a gala, two-and-a-half-mile-long parade will wind for three hours through downtown Dothan.

For more information, contact the National Peanut Festival at 793-4323.

Two students-Katherine Sharpe, Enterprise, and William B. Taylor, Hartford, of the 73 on the ESJC summer quarter Dean's List, continued to maintain a perfect 4.00 grade point average (GPA) while earning 50 or more hours credit and were placed on the Dean's Academic Honor Roll at the ESJC.

Marilyn Woodruff, Ft. Rucker, has now earned 96 quarter hours and still has a 4.00 GPA. She was added to the Dean's Academic Honor Roll winter quarter.

To qualify for the Dean's Academic Honor Roll, a student must make all A's while enrolled at Enterprise State Junior College for four or more quarters and earn at least 50 hours. The plan containing the names of students who have received this honor is on display in the Student Center Building.

Twenty-two of the 73 on the summer quarter Dean's List have been on the list four or more times. To qualify for the Dean's List, a student must be taking twelve or more hours (full-time) and maintain a B plus (3.50 on the four point scale) during the quarter.

Those on the Dean's List four or more times from Enterprise are Laurie E. Faison, Diane M. Hughes, Catherine Marie Max, Kevin Mays, Raymond C. Parker, Kathleen A. Rasmussen, Dennis A. Reeves, Edythe Katherine Sharpe, and John Arthur Sizemore.

On the list four or more times include: Maryann D. Davis, Dothan; Tracy P. Kyser and Chummi Park. Beverly Beverly Boutwell and Peggy C. French, Elba; Ann Fisher, Geneva; William B. Taylor, Hartford; Lucille S. Deane, Smethport; Jane Strickland, and Kimberly Wright, Ozark; and Marilyn Woodruff, Ft. Rucker.

RECIPE Lemon Coffee Cake

(Makes 10-12 inch cake)

1 1/2 cups graham cracker crumbs
1/2 cup firmly packed light brown sugar
2 cups granulated sugar
2 1/2 cups all-purpose flour
2 teaspoons baking soda
1/4 teaspoon salt
1 cup softened butter
1 1/2 cups granulated sugar
1 tablespoon grated lemon rind
2 eggs
1 1/2 cups liquid nonfat dry milk
Lemon Glaze

Combine 1/2 cup graham cracker crumbs, brown sugar, and cinnamon in small bowl. Mix together remaining 1/2 cup graham cracker crumbs, flour, soda and salt. Cream butter, granulated sugar, and lemon rind in large mixer bowl. Add eggs, beat well. Add dry ingredients alternately with liquid nonfat milk, mixing lightly after each addition. Spread 1/2 batter in buttered 10-inch tube pan. Sprinkle 1/2 crumb mixture over batter. Repeat layers. Spread remaining batter over crumb. Bake in moderate oven (350 degrees F) 60 to 70 minutes or until done. Cool 10 minutes. Remove from pan. Cool. Drizzle lemon glaze over coffee cake.

LEMON GLAZE: Combine 1 cup powdered sugar and 4 teaspoons lemon juice. Drizzle over coffee cake.

Bertha McDonald Writing Her Autobiography

BY MIKE RADIGAN
"Montgomery Advertiser"
Staff Writer

The papers were all neatly arranged on Bertha McDonald's dining room table. A housewife here, stuck of sales receipts and a couple of marriage licenses there.

This is your life, Bertha McDonald.

Mrs. McDonald figures it's about time someone put her life's experiences into book form. The papers laid out on her table will serve as documentation.

"It's plain honest facts," she said of the planned contents of her book. "I'm not making it up."

Due to an epidemic of Spanish influenza in 1918 transported from overseas by American soldiers, the school she attended was closed just as she began fourth grade.

She says she never found time to take a break from her various jobs to return to school, but has picked up reading, writing and arithmetic out of necessity through the years.

Mrs. McDonald is proud of the home she has owned since 1946. It cost her \$3000, and the four automobiles she never missed a payment on. She says she gave up doing her second husband's death party so she could concentrate on making more money, partly because she just grew tired of it.

Retired Nine Years Ago
She retired nine years ago, but says she has never been stingy with her earnings.

Even in the roughest of times, she says she always gave away at least ten percent of her earnings. She has that documented with a boxful of cancelled checks made out to television evangelists and other church-related organizations. Today, she said, she gives away ten percent of her Social Security benefits.

She plans to call her book "The Facts of Life."

She hasn't talked things over with a publisher yet, but that doesn't seem to be slowing her down.

"I don't give a hang about (a publisher)," she said. "I'm gonna do it though."

Mrs. Fleming To Celebrate 90th Birthday

Mrs. Lillie Fleming is celebrating her 90th birthday Saturday, September 13, at seven o'clock in the evening in the community room at the Farm Center in New Britain. From 2:00 until 4:00, she would like for all her family and friends to come and be with her.

Mr. and Mrs. Marvin Parker Celebrate Wedding Anniversary

Mr. and Mrs. Parker

"Art For Heart" Scheduled For October 7-8

Plans for the Sixth Annual "Art For Heart", which is scheduled for Oct. 7-8, 1983 are currently underway and indications are that it will be the best show ever. Artists and Craftsmen from the Wiregrass Area are invited to participate in this two day event. The \$20.00 donation per space covers both days and will be given to the Houston County Division of the American Heart Association to aid in the fight against heart disease and stroke.

The Arts and Crafts being displayed are all original work. These items would make ideal holiday and Christmas gifts. Prizes will be presented to winners in both Arts and Crafts.

Make plans now to attend the Sixth Annual "Art For Heart Show and Sale" at Porter Square Mall in Dothan.

For more information contact, The American Heart Association, 794-4570, or Edwina Peake, 794-6434.

Miss Petrey

Miss Petrey To Wed Mr. Vaughan

Mr. Mervyn William Petrey Jr. announces the engagement of his daughter, Jamey Ann, to Mr. Murray Caldwell Vaughan, son of Mr. and Mrs. Oscar Vaughan, Jr. of Elba. The bride is also the daughter of Mrs. Donald James Worthington of Tampa, Florida.

Miss Petrey is the granddaughter of Mrs. Mary Logan Petrey of Montgomery and the late Mervyn W. Petrey, Sr. of Petrey, Alabama and Fort Worth, Texas; Mr. and Mrs. James Carl Robinson of Panama City Beach, Florida. She is a graduate of the University of Alabama and a member of Phi Kappa Sigma social fraternity. He is employed by AmSouth Bank in Birmingham.

The wedding is planned for October 22nd, at Normandale Baptist Church in Montgomery.

They received many nice and useful gifts.

Mrs. Fleming

Towles — Roop Wed In Huntsville

Mrs. Fleming

Miss Monica Towles and Robert Cliff Roop were united in marriage Saturday, August 13, at seven o'clock in the evening in the community room at the Farm Center in New Britain. From 2:00 until 4:00, she would like for all her family and friends to come and be with her.

The bride is the daughter of Mr. and Mrs. Thomas W. Towles of Elba. The groom is the son of Mr. and Mrs. Robert C. Roop of Jefferson City, Tennessee.

Guests were greeted and registered by Miss Georgette Harris of Tusculooosa. The registry table was draped with a white linen tablecloth and a pink feathered plume pen was used to place guests.

Mrs. Janice White of Huntsville, organist, provided the nuptial music. She accompanied Mrs. Rhonda Hughes of Elba who sang "Perhaps Love," "Through the Eyes of Love," and "The Wedding Prayer."

The front twin staircases leading to the balcony of the house were entwined with greenery. A large white bow of ribbon adorned the balcony rail with smaller bows at either staircase rail. The front twin staircases containing pink roses were placed at the foot of each staircase. Pink and white chair ribbons designated the seating for parents.

The bride, given in marriage by her parents, was escorted down the staircase by her father. Her gown was of white silk organza and the bride's hair was styled in a chignon caplet gathered at the waistline with a pearl brooch. She wore a wrist corsage of pink and white miniature roses.

The groom's mother, Mrs. Robert Roop, wore a floor-length dress of champagne polyester with a chiffon overlay gathered at the empire waistline with a pearl brooch. She wore a wrist corsage of pink and white miniature roses.

The wedding was planned for October 22nd, at Normandale Baptist Church in Montgomery.

Horticulture Tips

Dan J. Presley

NEMATODES
Nematodes are very tiny round worms that live in the soil. They do damage by feeding on the roots of plants causing the plants to be unhealthy and stunted. It seems that the nematodes have been extremely bad this year.

If you pull up some of your garden plants and the roots are swollen with knots on them, you can be sure that you have nematodes. Nematodes are very difficult to control. If you can rotate your garden place, this will help. Plant resistant varieties where these are available. Chemical treatment of nematodes is very expensive and difficult to do. Currently

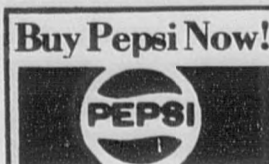

Vapam is the only nematocide cleared for use on home gardens. Now is an excellent time to treat your garden for nematodes so that it will be ready for your early spring planting. On the Vapam label there are directions for several methods of application. Use the one that is easiest for you to do. Always follow the directions on the label.

WHITE FLIES

A wasp that is parasitic to the white fly has been established in ten different sites in the county. This parasite has been effective in controlling the white fly in the citrus regions of Florida. USDA hopes that it will be helpful in keeping the white fly under control enough that we won't have to spray for it. These sites will be monitored closely to see if the parasitic wasp is developing in high enough numbers to be effective. White flies are a particular nuisance on ornamental shrubs, such as gardenias, crape myrtle, privet hedge, and legistum.

ST. AUGUSTINE

St. Augustine grass has been spotlighted this week. This grass is probably the most shade-tolerant grass that we have. St. Augustine is considered to be a coarse grass. Some of the disadvantages of St. Augustine are that it is highly susceptible to chinch bugs and it can stand very little traffic. St. Augustine must be sprayed. This is a good grass to use under certain conditions, particularly if you have a very heavily shaded yard.

PIK CORN

Cargill, Inc. in Mobile will pay top dollar for your PIK corn entitlement. For up-to-the-minute quotes call us at 1 (800) 227-6027. Don't sweat checking with us first—you'll be glad you did. Cargill, Inc.

AGING AND EXERCISE
While it is known that inactivity can make a body age prematurely, research has not yet shown that exercise prolongs life expectancy. Exercise does, however, improve the quality of years lived. Why should older people exercise? Joint mobility is the most important reason for older persons to exercise. Other reasons are to reduce stress, lessen depression, increase muscle strength, and strengthen bone and less osteoporosis.

BROWN BAGGER SPECIAL
For a fruit and cheese sandwich filling, try this combination: Grate the peel of one orange. Finish peeling and cut into bite-sized pieces; drain and pack for lunch box. Now combine the orange peel and pieces with softened cream cheese and chopped nuts. Prepare sandwiches on raisin bread. For added flavor, slice a banana on top.

Another sandwich idea using grated orange peel is this: Combine grated orange peel with softened butter. Spread a small amount on bread before layering with your favorite luncheon meat.

WATER STAINS ON FURNITURE

If you're bothered by water stains on your wood furniture, don't despair - many of them can be removed. There are several methods to use, but the one which works best is this one: Place a thick blotter over the ring and press with a warm iron. I've used layers of paper towels because blotters are hard to find.

BULK SELLING IS COMING BACK

Supermarkets are experimenting with bulk sales. The aisles are lined with barrels that are filled with everything from candy to dog food. Many people seem to be drawn to bulk goods because of the price and because they are allowed to purchase only the amounts they need.

Supermarkets say that whatever is sold in bulk can be sold for less. This is just

one more way we can save money at the supermarket.

State Of Al. 10

Bear Expenses Of

Special Election

Attorney General Charles A. Graddick today said the State of Alabama, not the counties, must bear all expenses of the 1983 special legislative election ordered by a federal court.

"The election is brought about solely due to the failure of the legislature to present an approved reapportionment plan to the court in time for last year's election," Graddick said. "It is not due in any way to any action or inaction by the counties. Because of the unusual circumstances and the nature of this election, it is my opinion that the state should bear the total cost of the election, with no exceptions."

Graddick's opinion was based on Section 17-21-3, which says "The State of Alabama shall reimburse a county for all sums expended by the county in payment of expenses incurred in holding and conducting an election in which only candidates for federal or state offices are nominated or federal or state offices are elected."

Graddick's opinion was requested by a majority of the state's probate judges and by Secretary of State Don Siegelman.

Four U.S. State capitals are named after presidents: Jackson, Mississippi; Lincoln, Nebraska; Jefferson City, Missouri; Madison, Wisconsin.

All Around Coffee County

Thomas C. Casaday

PEANUTS

Good rainfall in most areas of the county helped to moderate several peanut pests. I still see some spotted infestations of spider mites. If you notice spider mite damage and your digging date is more than two weeks away, you might want to put on an application of Comite or Azodrin.

Watch carefully for worms in peanuts. If you find more than four worms per foot of row, it will pay you to put an insecticide on just before digging. If untreated, these worms will eat pods and pull the stems from inverted peanuts. Check each field carefully. If enough worms are present, don't hesitate to spray them just before you dig.

SOYBEANS

Some insect experts have predicted increasing stink-bug damage to soybeans. We are also getting very heavy populations of velvetbean caterpillars. Over half the leaves have been eaten in several fields.

Check soybean fields closely. If you find four or five worms per foot of row, you beans, go ahead and

treat. A number of materials can be used including methyl parathion, Orthene and others.

HAY FOR SALE

Folks who are interested in getting some small bales of Coastal Bermudagrass may want to contact Bruce Penel of Enterprise. Penel lives on the Bellwood Road about three miles out of Enterprise. The dry weather has not affected hay production in Coffee County very much. Several hay producers in the county will have a lot of extra hay. Demand for hay in counties north of us should be good.

Encourage Coffee County hay producers to save as many tons as possible for their use and for sale.

RATTLESNAKES

Ren Strickland, who lives about two miles west of New Brockton, told us Thursday that he counted five rattlesnakes in one day on the road between New Brockton and his place. These snakes had been killed. He said he believes one reason rattlesnakes are increasing in number is that we don't have

as many hogs running in pastures as we had a few years back. Strickland is a native of New Brockton, and he says where you have hogs in pastures you will not have as many rattlesnakes.

Jack Tatum, our 4-H Club agent, told me that one day this week he saw two rattlesnakes in the edge of a yard where he was visiting. August 15 to October 1 is always a time for a lot of rattlesnake movement in Coffee County. Be cautious!

*PEANUT LOSSES

Darrell Dunn, county agent in Tift County, Georgia, gave some research findings on harvesting peanuts. Where peanuts were dug two weeks early, they lost 744 pounds per acre. Peanuts dug one week early in this four-year test lost 253 pounds. On the other hand, when dug one week late they lost 500 pounds per acre and where they were dug two weeks late they lost 541 pounds per acre. Remember that the dollar loss per acre represents pure profit potential since no increased production costs are involved.

Soil Erosion Research To Continue Two

More Years

Erosion carries away an average of four tons of soil per acre from Alabama cropland each year, leaving ugly gullies and exposed subsoil. But even worse is the loss of production of crops on eroded land.

The extent of yield loss from erosion isn't well known, but preliminary Alabama Agricultural Experiment Station results indicate losses run as high as 25 percent. This finding of an Auburn University study examining the relationship between erosion and productivity was reported by T.A. McDaniel, agronomy and soils research assistant, in a recent presentation at the American Society of Agronomy meeting in Washington, D.C.

McDaniel said he and project leader Dr. B.F. Hajek compared crop yields on eroded and relatively non-eroded areas in several fields, to minimize the influence of fertilizer rates, other farming practices, and rainfall. Results showed that eroded portions were 26 percent less productive than those with minimum erosion.

Crops investigated were corn, soybeans, and cotton. McDaniel said. None differed significantly from the amount erosion decreased their yields.

In addition to higher yields, the slightly eroded areas had thicker top soils, higher levels of phosphorus, almost twice as much organic matter, and lower clay content in the soil layer that is plowed than the areas with moderate erosion.

There was a harder, more dense soil in the eroded areas, McDaniel said, and less water available for the plants.

An inch of soil translates into four inches of available plant moisture, Rick Zellmer of the Soil Conservation Service, said. That is a long-term effect of erosion and causes soil to become drought-prone.

Erosion becomes a threatening problem when soil is lost at a faster rate than it is replaced through natural processes, Zellmer, district conservationist, said.

The acceptable rate for Lee County is five tons per acre annually, which is almost 10 tons less than the current county average.

Depending on the particular soil, the acceptable amount for the State varies between two and five tons, McDaniel said.

When one inch of soil erodes from one acre, the land experiences a loss of approximately 166 tons, McDaniel said. On a larger scale, erosion strips away two billion tons of American soil each year.

McDaniel said he hopes this research will convince

farmers that they will increase yields and preserve soil quality by using conservation practices to prevent erosion.

The research will continue for two more years, he said.

ASCS To Office To Monitor

Availability Of Hay

Due to widespread drought conditions this summer in many areas of the county, many reports of hay shortages have been reported. However, in areas where there has been ample rainfall, there is possibly a surplus of hay or other roughage.

Wynelle G. Lasseter, County Executive Director of the Coffee County Agricultural Stabilization and Conservation Service (ASCS) Office in New Brockton has announced that the office will be providing assistance to:

1. Livestock producers in locating hay or other roughage to buy, 2. Producers with excess hay or other roughage in locating buyers in need of their crop.

Any Coffee County farmer in need of this service, either to buy or sell hay or other roughage should visit or call the county ASCS office, telephone number 894-5581 and provide the necessary information.

LUNCH

PASTOR'S CORNER

REV. JIM DANFORD
TAYLOR HILL BAPTIST

God calls out to man to come into a place of safety. In Genesis 2:1 we find God saying to Noah, "Come thou and all thy house into the Ark; for thee have I seen righteous before me in this generation." The call has gone out to man down through the ages to come to God and safety. Yet man does not heed the call, even though God promises man not only safety but also through Jesus He says man can live an abundant life. Jesus said, "I come that you might have life and have it more abundantly." Man, ever seeking to find a way to be his own god, misses the very abundant full life he seeks to find.

Man wants God around, but he wants God to stay around on man's terms. He seems to say, "Now God, you get over there in that corner and stay out of my way. If you have to know when I need you." Pride won't let man humble himself under the Lordship of Jesus, so he never finds that deep peace within that every soul longs for. Money will not buy that peace - new gadgets such as the mighty computer will not bring it - you can't find it in the bottle of beer, wine or whiskey. Neither will you find it in pot, pills, or the needle of heroin. It does not come with the porno magazines, movies or TV.

The longing of the soul to be reunited with the God that

created man and breathed life into him comes only through the shed blood of Jesus, the only begotten Son of God, and then only as that life is surrendered and brought under the Lordship of Jesus. Then comes the peace that "passeth all understanding"; God air can bring this kind of peace.

It's so easy; the Word of God says that "Whoever shall call upon the name of the Lord shall be saved."

The big question is "Why does man insist on living his life in misery when God offers peace and an abundant life?" No, all your troubles will not go away when you turn your life over to Jesus; but Jesus promises that he "will never leave nor forsake us"; also that his "burden is light."

Why not get help now? Why not call upon the Name of the Lord? What do you have to lose? If you have tried everything else and it didn't work, why not try Jesus?

How do you do that? Seek out any Christian and he/she will be more than happy to share their testimony with you and help lead you through the plan of salvation.

May God's richest blessings be on you.

Card Of Thanks

The family of Theresa Stephens would like to thank the staff of Elba General Hospital and Dr. Crook for their kindness, and all friends for their prayers and thoughts.

The Church Listing is sponsored by:
WHITMAN DRUG CO., DORSEY TRAILERS, ELBA INSURANCE AGENCY, THE ELBA EXCHANGE BANK & THE ELBA CLIPPER

NEW OFFICERS OF ELBA MINISTERIAL ASSOCIATION. L-R: Rev. Jim Arbogast, pastor, Elba First Assembly of God - secretary-treasurer; Rev. Jim Danford, pastor Taylor Hill Baptist Church - president; Rev. Dr. Pat McFadden, Elba First Baptist Church - vice-president. The group meets each Thursday morning at 8 o'clock at Holley's Restaurant. All area ministers are invited to become a part of this organization. Some of the services members of the group provide are: a joint Thanksgiving service; work closely with civic groups, such as fire, police and rescue units; at the Thanksgiving service an offering is taken, which is used to assist ministers with food, gas, etc. as the need arises. This service is channeled through the Elba Police Department.

These ministers, and others of the group, are available for counseling 24 hours a day for anyone needing it. Members of the various city departments mentioned have access to counseling, as well as employees at the nursing home and hospital, where the ministers serve. Anyone needing their counseling may contact Rev. Danford, at 897-2370, or any of the members of the group.

Activities Set At Church Of God Of Prophecy

A Gospel sing will be held at the Church of God of Prophecy 647 North Claxton Avenue, Elba, Alabama. The time of the sing will be Saturday night September 17 at 7 p.m. Featured singers will be the Faith Singers and local talent.

Pastor J.E. Wesley invites everyone to attend. The church is located across the street from the Dairy Queen and Big Bear Shopping Center. For more information call 987-3056.

Homecoming Set AT Friendship

Friendship Baptist Church in the Bullock Community will observe Homecoming Sunday, September 18, with regular worship services.

Lunch will be served at Noon, and all friends and members are welcome. Rev. Dock Rayborn is pastor of the church.

French Club Elects Officers

The first meeting of Le Cercle de Francias met Thursday, August 25, 1983 in the cafeteria. The first item on the agenda was the election of officers for the 1983-1984 school year. The following officers were elected:

President: Craig Murdock
Vice President: Rob Hudson
Recording Secretary: Taylor Rushing
Attendance Secretary: Jay Johnson
Treasurer: Harris Davis
Reporter: Troy King

Elba Band Chosen As

Q-97 Band Of The

Week

The Elba High School Marching Tiger Band received the honor of being Q-97's Band of the Week. They were chosen as recipients of this award due to their performance at half-time during the Elba vs. Brundidge ballgame. The band played for their home stands and received a warm reception by their fans. A plaque was presented to the Elba Marching Tiger Band at last week's pep rally by members of the Q-97's staff. Beverly McCall, who is the 1983-84 season, was there to receive the award on behalf of the band. Lulu Powell was there also to receive the award with Beverly. Lulu is the drum major for the band.

This senior, who is in Mr. Waters homeroom, is greatly impressed with the color blue. Math and English are his favorite subjects and pizza is favorite food.

This honor roll student can be found on Tuesday and Thursday nights at Elba High School teaching GED classes with Mrs. Young. Anyone having trouble with this mystery? If so, be sure to read next week's shadow, where the identity of the mystery man will be revealed.

For those still puzzled about last week's shadow, it was colorguard member, Camilla Biasi.

Sports

Views From

THE PRESSBOX

By, Ricky Mularz Editor

I started to write this week's column Monday night at home, but instead I just popped some popcorn and watched the ball game. On well, now I'm only about three hours behind schedule!

SAME OLD SCRIPT FOR ELBA

Elba Tigers To Battle Opp

The Elba Tigers will be heading into hostile territory tomorrow night (Friday) when they journey to Opp to battle the Opp Bobcats in a key Area 3 match-up.

Elba will carry a 3-0 record into the game, while Opp will come in at 0-3.

"Opp has got a good football team," warned Elba's Coach Mack Wood, "they've just had a couple of bad breaks and some tough luck. They could easily be 2-1 or 3-0, so, don't let their record fool you!"

The Bobcats, picked to repeat as Area 3 champs, opened the season with a tough 27-16 loss to 4A Ozark, dropped a heartbreaking 23-21 loss to Troy in week #2 and last week lost a 14-13 squeaker to Abbeville. No doubt the Bobcats are hungry for a win!

"Opp has 23 seniors on

their team, including several starters from last year's club," added Wood, "and they have enough talent to beat anyone. Opp just hasn't put it all together yet, but when they do they'll be as tough as anyone in the Area. They will have the best team we've played and we will be their home opener. We know it will be tough."

"On offense, said Wood, "Opp has made mistakes that have helped them. They've been able to stop our offense. They have a good runner in Anthony Dozier and they run the outside veer and sweep real well. The quarterback can pass, the line is big and they have good receivers. They've scored at least twice in every game, so, you know they can score."

"On defense they have outstanding linebackers and down linemen," added

Wood, "and run a variety of looks. We have no idea what to expect. If we hope to win we'll have to do three things: (1) play better than we have in five of the past six years, (2) play as good as we can and (3) cut down on mistakes. On offense we'll have to make a minimum of mistakes and not stop ourselves. We must be able to run, and put the ball in the air, and they key to that will be our offensive line. The line must do its best job possible! Over on defense we'll have to continue to be aggressive and stop the outside veer. We'll also have to tackle better."

This is by far our toughest game thus far," stated Wood, "and we'll have to play as good as we can or we'll be in trouble."

When asked about Elba's 22-6 win over Luverne,

Coach Wood said, "I was proud of the players and the team. With the exception of 3 turnovers and some misses and tackles we played real well. We knew Luverne would play as tough and be physical and we hung in there! We played a good physical team and won, and maybe it was because our preparation and our attitude was better. I'm not totally pleased with our play, but I'm not upset."

Coach Wood praised the play of Rubin McKinnon, Kevin Kelley, Mike Maddox, Michael Scott, John Hudson and Mark Henderson on offense, along with Ricky Messick, Ken Ware, Danny Folmar, Tim Flowers, Dwayne Hooks, Terry Ware, Brian English, Todd Sanders, Dowe Clark and Marshall Bowers on defense.

Coach Wood has had very successful seasons at Elba

1972-	Elba 37	Opp 0
1973-	Elba 7	Elba 0
1974-	Opp 19	Elba 0

Murphy Speedster In Weekly Prep Spotlight

Halfback Michael Pierce of Murphy rushed for more than 200 yards for the second straight week to move into the "prep spotlight" selected by the Alabama High School Athletic Association.

The 5-8, 175-pound sophomore ran for 243 yards on 18 carries and scored touchdowns of 79, 68, and 19 yards in Murphy's 40-6 victory over McGill-Toolen. The halfback had 202 yards rushing in a season-opening win over Baldwin County.

Other spotlight performances: Freddie Taylor ran for 244 yards and three touchdowns in Carroll of Ozark's 30-13 triumph over Charles Henderson.

George Dohard of White Plains hit 20 of 22 passes for 240 yards and four touchdowns-three to Randy Jones-in a 49-0 win over

Bibb Graves; Steve Chapman rushed for 212 yards and three touchdowns in Benjamin Russell's 25-14 victory over Stanhope Elmore;

Tony Hale of Brewer rushed for 213 yards and a pair of touchdowns in a 40-15 victory over Hazel Green; Coach Lester Smith has reached the 100-victory plateau (career record 102-42) and his Foley team posted its third straight win, 14-7 over B.C. Rain.

Brad Baxter of Slocomb rushed for 182 yards and two touchdowns in a 27-13 win over Bonifay (Florida); Winston Davidson of Repton, 3-0, rushed for 172 yards and two touchdowns in a 36-22 win over Lyleffing;

Jerrold Young and Gary Sykes combined for 221 yards rushing and a pair of touchdowns in Courtland's 34-0 victory over Madison County;

Elba Church of Christ, Church of Christ led 3-2 early, but couldn't hold on and fell to defeat.

Van Johnson got 3 hits for Woodland Grove, while Bron Curreton and Locklar added 2. Dondi Dunaway got 3 hits for the Church of Christ.

Elba Methodist scored early, and often to bury Zion Chapel Baptist 18-7 in the third-inning, but pulled away for the win.

Kenneth Baker and Jr. Helms got 3 hits apiece for the Methodists, while Barry Taff added 2. Tony Brown, Jerrel Flowers, Jackson and Whitley all got 2 for the Z.C.

Woodland Grove Baptist pulled out late in the game to post an 11-5 win over the

learning a new system under Coach Hudson, and when they put it together, watch out! The Rebels aren't dead yet!

Kinston lost as expected, up in Arton, but the Bulldogs hung tough and could have won a moral victory. The Dogs outscored Arton 6-0 in the second half, and while I know Arton played a lot of folks, it still ain't bad!

ANOTHER WEEK OF UPSETS

It was another week of upsets around the area and it appears no team is safe from the old upset bug. Here are a few of last week's highlights:

Opp remained winless as the Bobcats lost to Abbeville 14-13. The loss was the second Area loss for Opp and all but knocked 'em out of the playoff chase!

Andalusia got upset by Brundidge 8-7 and it looks like the Bulldogs from Pike County may be coming on. The loss leaves Andalusia at 1-2 and makes ya wonder what's going on?

Troy battled 4A Ozark and got shelled 30-13. The Trojans have a young team with a lot of enthusiasm and will no doubt get better in weeks to come.

Greenville bounced back from last week's upset to dump Southside 33-7. The Tigers are big, strong and tough.

R. Miller trailed 12-7 with 30 left in the game, but pulled off a miracle and defeated Monroe County 18-12 in overtime. Monroe County gave Miller a safety to make it 12-9, then Miller kicked a field-goal with :05 left to tie it up, and won in O.T.

Norhiew, once called Dothan's powerhouse, saw its record drop to 0-3 as it lost to Lanier 14-13. The Cougars are in shock!

McKenzie, always a 1A power, finally got in the win column by slipping past lowly Ft. Deposit 13-6. The Tigers are finding out how the other half lives; and

Last, but certainly not least, Dozier lost to Brantley 33-7 and has now been outscored 116-15 in three games. The Tigers ain't got a chance!

COLLEGE FOOTBALL GOING FULL BLAST

Now that all the colleges have kicked off their season I thought I'd write a little bit about a couple of our collegiate powers.

Troy State went 2-0 on the young season with a wild 33-25 win over Nichols State. The Trojans "no-huddle" offense caused Nichols problems, as the 33 points indicate, and Troy looked pretty darn good. By the way, Ted Horstead made a couple of good runs from his fullback post, while Gary Bradshaw had a good game on defense. Elba's 1-2 punch looked good.

Alabama, or should I say "Ray Perkins' New Era Alabama," opened with a win that left a lot of people wondering. I guess Bama fans expected a big 40-point win, and while the blowouts will come, it could take a while for the new Tide to put it together.

Auburn pounded a good Southern Mississippi team and looked mighty good doing it. The duo of James and Jackson ran well, and the defense came out biting. After Saturday's game with Texas the Tigers could be on their way.

The Church League will hold its season-ending tournament next week and the action should be fun to watch. Any of the seven teams could win it, so come out at least one night and watch a couple of games.

SIX MONTHS AND GOING STRONG

Our daughter turned six months old last week and I'm proud to say both Melissa Hope and her parents are doing fine. Melissa has grown nine inches and gained nine pounds since birth, so I guess we're doing something right!

YE OLE POLISH PROGNOSTICATOR

Ye Ole Polish Prognosticator hit on 32 of 39 picks last week, but got burned by a couple of big upsets. Hopefully this week will see better things. Here goes . . .

Elba VS. OPP
The Tigers are 3-0, while the Bobcats are 0-3 - sounds like an easy one to pick - right? Wrong! Opp will be at home and fired up to knock off the Tigers. It just might happen, but I'm sticking with Elba!

Elba 17 - Opp 14

NEW BROCKTON VS. LUVERNE

The Gamecocks posted a big win last week to go 2-0 in the Area and could get a leg up on the playoffs with a win this week. This one won't be for the weak at heart!

Luverne 13 - New Brockton 7

ZION CHAPEL VS. LOUISVILLE

The Rebels are off to somewhat of a slow start and need a win to get back on track. It should come this week, but it won't be easy!

Zion Chapel 18 - Louisville 12

KINSTON VS. HOUSTON ACADEMY

The Bulldogs are winless and most folks have already picked 'em to go 0-11. This week could change some minds. Upset Special of the Week!

Kinston 16 - Houston Academy 15

Tigers Bite Luverne 22-6

The Elba Tigers jumped out to an early lead, survived several Luverne scoring threats and then took charge in the second half to pull away and post a 22-6 win over the Luverne Tigers Friday night in Elba.

The win upped Elba's record to 3-0, while the loss dropped Luverne's slate to 2-1.

Elba received the opening kick, but kept the ball only one play before losing it on a fumbled snap on the 37-yard line. The Tiger defense rose to the early challenge and refused to yield a first down, forcing a Luverne punt.

Elba got the ball back on the 20-yard line and this time scored almost instantly as on the first play Michael Scott (116 yards rushing) and Tim Flowers (81 yards rushing) combined for a 26-yard pass for a touchdown. A two-point conversion failed, but when the half ended 38 seconds later the Tigers' lead had grown to 13-6.

Luverne couldn't move on its initial possession of the second half and gave Elba a break when on a punt attempt the snap was low, resulting in an eight-yard punt. The Tigers moved quickly to the 14-yard line, but bogged down and saw a fourth-down fumble kill the threat.

The Tigers reached the Luverne 24 on their next possession on a 26-yard pass from John Hudson to Tim Phillips, only to be stopped again, this time by an interception.

Luverne began a drive on its next possession that took a long time, due partially to a 12-minute delay when the lights went out on the home side. Luverne reached the Elba 42-yard line, but could go no further and had to punt. Elba took over on the 20 and this time moved down and reached the board on a field-goal.

Fullback Mark Henderson rumbled for 45 yards during the march, which bogged down on the eight-yard line. The Tigers salvaged the drive when Dwayne Hooks kicked a 25-yard field-goal, upping Elba's lead to 16-6 with 5:01 left in the game.

Elba got the ball back via the punt, and needed only three plays to strike paydirt. A 32-yard run by John Hudson on a reverse set up the score, which came one play later on a three-yard plunge by Mark Henderson. A two-point try again failed, but with 2:34 left in the game it was all over with Elba on top 22-6!

play John Hudson took a pitchout from Rhett McCollough and then hurled a pass to a wide-open Tim Dyess. Dyess made the catch on the Luverne five-yard line and fell to the one, giving Elba the ball first and goal.

A running play failed to reach paydirt, however, on the next play Rhett McCollough spotted Dyess all alone near the sideline and hit him with a quick pass for a touchdown. A two-point conversion failed, but when the half ended 38 seconds later the Tigers' lead had grown to 13-6.

Luverne couldn't move on its initial possession of the second half and gave Elba a break when on a punt attempt the snap was low, resulting in an eight-yard punt. The Tigers moved quickly to the 14-yard line, but bogged down and saw a fourth-down fumble kill the threat.

Kinston No Match For Arton, Falls 25-6

TALKING IT OVER . . . Bulldog cheerleaders get a chance to rest during a time-out.

The Kinston Bulldogs took it on the chin for the third straight week last Friday night as they fell to the powerful Arton Purple Cats 25-6, in Arton.

The loss dropped Kinston's slate to 0-3, while Arton stands at 3-0.

Arton received the opening kick and promptly drove down the field to strike paydirt. The drive came on the running of Roy Lee Rhett and Leo Jolley, with Rhett notching the touchdown on a 10-yard jaunt. The p.a.t. sailed true and with 7:40 left in the opening stanza Arton was off and running with a 7-0 lead.

Kinston failed to make a first down on its initial series and punted the ball away with the Purple Cats taking over on their 18-yardline. It didn't take the Cats long to cover the distance, however, as Roy Lee Rhett broke loose on the first play and raced 82-yards for a touchdown. The extra-point failed, but with 5:08 still left in the first quarter the Cats were in charge to the tune of 13-0.

A penalty on the ensuing kick gave Kinston the ball on

its 42-yardline, but the Dogs couldn't move and punted the ball away. The two class 1A rivals swapped punts on the next series, with Arton winding up with the ball on the Kinston 31. Two plays later Leo Jolley scored on a 4-yard jaunt, and after another missed extra-point, Arton led 19-0 with 10:35 left in the half.

Arton's defense again stopped the Dogs, turning the ball over to the offense on the 40-yardline. The Purple Cats moved upfield with ease and added another touchdown when Jerry Gurski took it in on a 5-yard jaunt. A bad snap resulted in a missed extra-point, but with 5:36 left in the half the Cats owned a big 25-0 lead!

Kinston apparently got on the board early in the third quarter on a long run by Paul Folmar, only to see a clip wipe the points off the board. The Bulldogs finally got going offensively in the final stanza, when following a roughing the kicker penalty, the Dogs drove 50-yards to paydirt. Runs by Paul Folmar and Alvin Henderson keyed the drive,

GETTING A BREATHER . . . Kinston standout Ronald Thorn (42) gets a chance to catch his breath in last week's battle with Arton.

with Henderson notching the score on a 1-yard dive. The game ended 4:55 later, it was still Arton on top 25-6. The extra-point failed, and when

Gamecocks Survive Goshen Score 14-7

By Greg Brunson

The New Brockton Gamecocks traveled to Goshen this past Friday night to do battle with the Eagles and came away with a big 14-7 victory. This win added New Brockton's season record to 2-1 and 2-0 in their area.

The night really got off to a disappointing start. I wanted my wife to see the Eagle in front of the school that was made of car bumpers. Well, it wasn't there anymore so we went to the ballfield. Upon entering the stadium, you could detect a strong odor which we quickly identified as a hog parlor located right behind the visitor stands, as if this wasn't a bad enough start, on the second snap from scrimmage, Bart Snyder

fired a 76 yard touchdown pass to Freeman Jackson who rambled in for the touchdown. Jackson added the extra point and the Eagles led 7-0 with only 53 seconds played.

The Gamecocks managed two first downs on their first possession behind the running of Mike Haynes but were forced to punt. Freeman Jackson ended the next New Brockton possession as he slapped away an Anthony Maddox pitch-out and grabbed the ball for Goshen.

An exchange of punts gave Goshen a first down on their own 48 yard line. On the fifth play of this drive, Tracey Wilkinson recovered a fumble for the Gamecocks.

Neither team treated to score for the remainder of the half and the only turnover was another fumble recovery for Freeman Jackson of the Eagles.

As the second half opened, New Brockton gave the ball away on their first two possessions. First, Randy Wilkes intercepted an Anthony Maddox pass and then Freeman Jackson recovered his third Gamecock fumble of the night. The Eagles couldn't sustain a drive so their punt gave New Brockton a first down on their own 41 yard line. Eight plays later, Greg Haggan cracked in from 2 yards out for the score. Haggan carried the ball 6 times on this drive and added the extra point to made the score 14-7 with 10:38 left in the game.

LET'S JUST SETTLE DOWN . . . Coach Leavy Boutwell talks with his players during a time-out in the Gamecocks' win over Goshen.

NEW BROCKTON	GOSHEN
First Downs 15	2
Rushing Yards 240	45
Passing Yards 47	76
Total Yards 287	121
Passes Comp. Int. 14/2/1	10/1/1
Fumbles Lost 3	1
Penalty Yards 20	30
Returns Yards 61	61
Punts Average 4/32.3	8/30.2

and used only 5 plays to get a lead. The big plays in this drive were a 35 yard gallop by Haggan and a 38 yard pass from Maddox to Dyke Burrows. Haggan carried the last yard for the touchdown and Maddox added the extra point to made the score 14-7 with 10:38 left in the game.

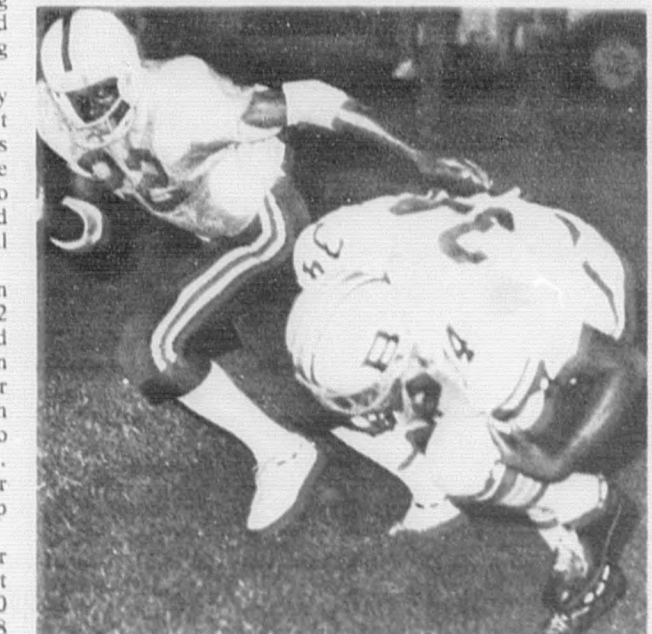

The Gamecocks threatened two more times before the game was over but really showed their class as they fell on the ball to run out the clock instead of running up the score. Nice job Coach!

The leading rusher for the New Brockton Gamecocks was Greg Haggan who picked up 139 yards on 17 carries and Mike

Haynes with 102 yards on 20 tries. The Gamecock defense was the star of the game as they held Goshen to just 2 first downs.

BODY SLAM . . . Brantley lineman Rodney Hall (69) slams down a Dozier runner after a short gain.

Brantley's Mike Coleman (34) heads upfield.

Both teams moved the ball on their next series, with Dozier finally getting on the board midway through the final stanza.

The touchdown came when Calvin Daniels pulled in a Lynn Burnett screen pass and rambled 87 yards to paydirt. The p.a.t. by Andre Burnett was good, and with 6:18 left in the game it was all over but the shouting with Brantley holding on for the 32-7 win.

Brantley Bulldogs Maul Dozier Tigers 32-7

GOT IT . . . A Brantley defender falls on a Dozier fumble to set up the Bulldog offense.

The Brantley Bulldogs continued to make it look easy last week as they rolled past the Dozier Tigers 32-7 in Dozier.

The Bulldogs are now 3-0 for the season, while the Tigers are 0-3.

Brantley received the opening kick and quickly moved into Dozier territory behind the running of Todd Johnson and Donald Burnett, only to stop itself on a fumble. Dozier gave the ball right back as Mike Coleman pounced on a Tiger bobble and this time the Bulldogs headed for the goal line.

Marvin Booker and Keith Dorsey had good runs on the drive, while Ray Christian notched the score on a two-yard plunge. Jimmy Tisdale added the p.a.t., and with 8:46 left in the opening stanza the Dogs were on the prowl, leading 7-0.

Dozier could return the ensuing kick only out to its four-yard line, and a fumble on the first play was recovered in the endzone by Donald Burnett, upping the Bulldog lead to 13-0.

Tisdale's extra point sailed wide, but with 8:32 still left in the first quarter the Dogs were up 13-0 and the rout was on.

Dozier kept the ball two plays before losing another fumble, with this one going to Brantley's Bernard Foster. The two county rivals swapped punts on the following possessions, with Brantley winding up with its 19-0 lead with 3:32 left in the opening stanza.

Marvin Booker got the call on first down, and the 5'8" scabbard raced 48 yards to again light up the scoreboard. Tisdale's p.a.t. was again wide, leaving Brantley with a 19-0 lead with 3:32 left in the opening stanza.

Dozier continued to play giveaway on its next possession, with Brantley's Brian Hall getting in on the fun! The Bulldogs drove to the Dozier 27, but bogged down and turned the ball over on downs.

Dozier didn't fumble on its next series, but lost 12 yards in three plays and had to punt. The Bulldogs again headed toward the Tiger goal, moving to a first down at the 11-yard line, only to come away empty-handed. The half ended seconds later with Brantley still on top 19-0.

The score was a lot closer than the actual game, as at the half Brantley had 180 yards in offense to only 38 yards for Dozier!

Dozier received the second half kick and held on to the ball, but the Tigers couldn't move and had to punt. Brantley took over on the 27-yard line, and in only two plays were in the endzone again. The score came on a quarterback sneak, with Todd Johnson moving it over from 62 yards out.

The p.a.t. sailed wide on the mark, but Brantley's lead was 25-0 with 9:47 left in the third quarter.

The Bulldogs got the ball back three plays later on a

DEFENSE . . . A Dozier runner is stopped cold by Brantley defenders Lee Johnson (10), Bernard Foster (11) and Marvin Booker (30).

Late Samson Surge Spells Doom For Zion Chapel Rebels

The Zion Chapel Rebels found the going tough on the road last week as they lost to the Samson Tigers 21-14, in Samson.

The loss left Zion Chapel with a 1-2 record, while Samson now owns an identical 1-2 slate.

Zion Chapel received the opening kick, and wasted no time lighting up the score board as on the second play from scrimmage Tony Shiver broke loose and galloped 86-yards for a touchdown. The extra-point was good, and with only 32-seconds off the clock the Rebels were on top 7-0.

Samson was hungry for its first win and put together a drive of its own late in the stanza to knot the score at 7-7. The Tiger tally came with 1:13 left in the quarter

on a 14-yard run by Bub Spears.

Zion Chapel came storming back following the Samson score and jumped back on top on a 52-yard scamper by Bobby Hill. The p.a.t. was true and when the half rolled around Zion Chapel clung to a 14-7 advantage.

Samson's offense began to move the ball in the second half and a touchdown run by Bub Spears with 7:40 left in the third quarter pulled the Tigers within 14-13. The extra-point failed, but the Rebels' lead was down to only one point!

A bad snap on an attempted punt resulted in a safety and gave Samson a 15-14 lead in the final stanza, and the two teams began to fight for their lives. A

clipping penalty on a big gainer seemed to drain the Rebels' spirit and Samson added a last minute touchdown on a 8-yard run by Hank Gilmore to give the Tigers a hardfought 21-14 victory.

Tony Shiver gained 101-yards rushing to pace the Rebs, while Doyle Smart added 74 and Bobby Hill added 52. Defensive standouts included Craig Flowers with 10 tackles, Bobby Flowers with 8 and Mark Storey with 6.

Samson's defense began to move the ball in the second half and a touchdown run by Bub Spears with 7:40 left in the third quarter pulled the Tigers within 14-13. The extra-point failed, but the Rebels' lead was down to only one point!

Tony Shiver gained 101-yards rushing to pace the Rebs, while Doyle Smart added 74 and Bobby Hill added 52. Defensive standouts included Craig Flowers with 10 tackles, Bobby Flowers with 8 and Mark Storey with 6.

Samson's defense began to move the ball in the second half and a touchdown run by Bub Spears with 7:40 left in the third quarter pulled the Tigers within 14-13. The extra-point failed, but the Rebels' lead was down to only one point!

A bad snap on an attempted punt resulted in a safety and gave Samson a 15-14 lead in the final stanza, and the two teams began to fight for their lives. A

clipping penalty on a big gainer seemed to drain the Rebels' spirit and Samson added a last minute touchdown on a 8-yard run by Hank Gilmore to give the Tigers a hardfought 21-14 victory.

Five Year Pins Awarded To Six Employees At Kleinert's

Robert Lisenby Is New

Purchasing Agent At Kleinert's

Mr. Robert Lisenby has recently been hired at Kleinert's as their new manager of Purchasing.

Mr. Lisenby comes to Kleinert's with a strong background in purchasing. Mr. Lisenby will be responsible for all plant purchasing, the trucking operations and warehouse involving findings, packaging and shipping cartons.

Robert is a graduate of Auburn University with a B.S. Degree in Business Administration and has Industrial Engineering experience with Alstet Corporation.

Robert, his wife and two children reside in Ozark, Alabama. We congratulate him on his new position, and wish him much success in the coming year.

Diamond is made of carbon, and it burns just as coal will when it is heated enough.

Glen Johnson Is Named Employee

Of The month At Kleinert's

Glen Johnson is Kleinert's Employee of the Month for September. Glen works in Department 62, the Receiving Department, as a Service Man. Glen works under the Supervision of Weeden Vann.

Glen has been employed with Kleinert's since April 22, 1982. He has performed various jobs in the warehouse, but recently took over the responsibility of servicing the Cutting Room. This job required extreme knowledge and skill, a lot of patience and a good attitude toward his fellow workers, all characteristics which Glen possesses. Glen's attendance record is also among the best.

Glen is single and lives in the Woodland Grove Community. He attended school at Elba High School, where he also graduated. Glen's hobbies include: softball, basketball and the "great outdoors."

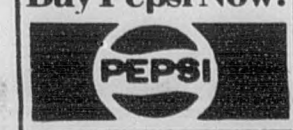

Since coming to Kleinert's in 1982, Glen has

Glen Johnson

become a valuable asset to the Company. Congratulations Glen on being chosen Employee of the Month.

Pea River Raft Race & Farm

Appreciation Day To Be Held

The first annual "Ramblin' Pea River Raft Race" is a timed raft, canoe and tube race beginning at 7 a.m. on Saturday, October 1st at Weeks Bridge in Elba and ending at the Elba Boat Ramp.

Registration fee is \$5.00 per person. Trophies will be awarded for the 1st, 2nd, and 3rd places for the fastest in the raft and canoe category. Trophies will also be awarded for the best constructed raft and one for the entry with the most people on board. Pea River will never be the same... come out and join in on the fun.

"Farm Appreciation Day" is sponsored by the Elba Chamber of Commerce on Saturday, October 1 on the Elba Courthouse Square. We're proud of Coffee County's #4 ranking in the State's farm income and want to enlighten the people

Card Of Thanks

The Weeks families wish to express their thanks for prayers, condolences, words of encouragement, flowers, food and all acts of kindness during the death of our father, husband, and brother - G.D. Weeks.

L.G. & Laura Weeks and family
Emmitt & Pearl Weeks and family

Card Of Thanks

The family of Mr. George Elton Lunsford would like to thank each and everyone for the flowers, food and cards they received. Your thoughtfulness was greatly appreciated in the time of our loss. And may God Bless each and everyone of you.
